Pegasus Dental Services

Supplying the World's Best Equipment
Providing Australia's Best Service

Pegasus Dental Services are Sydney's Most Experienced Longest Serving A-dec Sales & Service Company.

Pegasus Dental Services commenced as an equipment service repair company and still remains focused on serving its customers. We have a strong belief in being able to provide equipment repairs to the products that we sell. The sale of equipment is the beginning of our relationship with your practice. Our dedicated Services & Sales team work with you from the initial showroom visit, sales, installation, hand-over and ongoing maintenance or your equipment.

Pegasus Dental Services have proudly sold and serviced A-dec, W&H, Cattani and Acteon product ranges for many years. We are pleased to introduce Soredex OPG's to our range.

Pegasus Dental Services have recently renovated our State of the Art Showroom in Peakhurst. Please call (02) 9584-1188 to arrange a convenient appointment. Sally-Ann John and Gavin Rooney are our Equipment Consultants. With many years experience in the Dental Industry and a depth of knowledge they can help you with your Sales Enquiries.

Pegasus Dental Services have an extensive workshop set up to repair W&H Lisa Autoclaves, mechanical repairs fabrication and machining of parts. We provide a pick up/drop off service for Autoclaves and Assitinas along with rental equipment to reduce surgery downtime. **Pegasus Dental Services** can also arrange to service your handpieces. Please send your handpieces to PO Box 4127, Oatley West 2223 for prompt service.

Pegasus Dental Services travel all over Metropolitan Sydney and Regional NSW.

Please contact the friendly staff at **Pegasus Dental Services** to maximize the efficiency of your existing Dental Equipment or to discuss a range of upgrade options for your growing practice, or to set up a new surgery.
